9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

It is verified by SIU mid-period that an individual is a parole violator.

Question: Since it is not a mandatory mid-period report, do we discontinue the individual mid-period with information that is verified by SIU?

10. REQUESTOR'S PROPOSED ANSWER:

Per ACL 13-17, Verified upon receipt means that the information provided is not questionable, the provider is the primary source of the information, and no further information is needed to take action.

Answer: Information verified by SIU is 100% verifiable, not questionable, and no further information needed to take action. The county can discontinue the parole violator mid-period.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

In the scenario above, the mid-period action is taken due to rules specific to parole violators' CalFresh eligibility, not rules related to mid-period action on information that is Verified Upon Receipt (VUR).

Per ACL 15-82 page three, "regulations make any individual that is found to be in violation of a condition of probation or parole imposed under a Federal or State law ineligible for CalFresh. An arrest warrant with one of the three NCIC codes for a fleeing felon need not be issued. Rather, to be considered a probation or parole violator, an impartial party, such as a judge or officially sanctioned tribunal, must determine that the individual violated a condition of his or her probation or parole imposed under federal or state law and that federal, state, or local law enforcement authorities are actively seeking the individual to enforce the conditions of the probation or parole, as defined by 7 CFR § 273.11(n)(3)".
